

PRIVACY STATEMENT

The Rockassist calculation program collects information about its users. When using the Rockassist calculation program you will be asked to provide your name, e-mail address, job description and other contact details. Some of the collected data are regarded as personal data for which ROCKWOOL International A/S is Data Controller. The collected information will only be used to contact you as part of the overall customer relationship and to make it easier for you to use the Rockassist calculation program.
