

DISCLAIMER

Rockassist has been assembled with the greatest possible care by ROCKWOOL Technical Insulation. All calculations are carried out in conformance with Guideline VDI 2055, dated 2008, and the latest ROCKWOOL product specifications. The user of this program accepts the following conditions. The user is exclusively responsible for the correctness of the input of data into this calculation program. The user is aware that theoretical values can deviate from those occurring in practice. Especially surface temperatures are very susceptible for external influences such as wind, draught, etc. ROCKWOOL Technical Insulation does not warrant the correctness of (the outcome of) any calculation and shall not be liable for any direct, indirect or consequential damages or any other damages whatsoever incurred by the user or third party resulting from the use of this calculation program or loss of data. ROCKWOOL Technical Insulation reserves all rights (including copyright and other intellectual property rights) in respect of all information offered through this calculation program, including the software, the product name Rockassist and specifications.
